

CS169 Group Matching Form

This info will be used to form the 4-person groups for CHIPS 10.5. Working with your group on other assignments up to that point is highly encouraged, but entirely optional.

* Indicates required question

1. Email *

2. First name *

3. Last name *

4. SID *

5. For the purposes of improving future study groups for myself and others, I consent * to have my anonymized information and responses used. This will have no impact on your grade.

We would like to use your responses to this and other course surveys to improve the study group-matching system for the future and the remainder of this class, and we need your consent! No identifying information may be used and this will have no impact on your grade. Please check below if we may do this. The PI for the study is Professor Ranade and the Protocol ID is 2020-08-13526. Completely anonymized information, feedback, and course scores may be used to improve future study groups for courses throughout Berkeley. We ask that you please consent so we can improve study group experiences!

Mark only one oval.

- ☐ Yes, I consent
- ☐ No, I do not consent

Other group members

6. Do you already know a student in the course that you would like to work with in * your group?

Mark only one oval.

- ☐ Yes *Skip to question 7*
- ☐ No *Skip to question 8*

Group Members

Tell us the name of someone that you would like to work with. It is ok if you don't know anyone you would like to work with, we will match you with a group regardless.

7. 2nd Group Member Berkeley Student Email (must be @berkeley.edu)

Matching Questions

If you already have a fully-formed group and are not seeking more members, this information will not be used for making your group, however your responses are helpful for us in forming future better groups.

8. What year are you? *

Mark only one oval.

- ☐ Freshman
- ☐ Sophomore
- ☐ Junior
- ☐ Senior and above
- ☐ Transfer Student (Junior)
- ☐ Transfer Student (Senior)
- ☐ Graduate student

9. When would you like to work on homework assignments/projects with your study group? *

Mark only one oval.

- ☐ Long before they are due
- ☐ Spread out over the period before due date
- ☐ Closer to the due date
- ☐ I don't intend to do assignments with my study group

10. How often would you like the group to meet and/or interact with your study group? *

There are some weeks where this may not work out, but please indicate what your intended commitment will be

Mark only one oval.

☐ More than once a week

☐ At most once a week

11. Would you be willing to lead a group by organizing meetings and encouraging people to join? *

Mark only one oval.

☐ Yes

☐ No

12. How would you like to interact with a study group? Pick as many below as you would like! *

Check all that apply.

☐ Asking questions about the material

☐ Answering questions about the material

☐ Doing work separately and discussing approaches

☐ Working on assignments together

☐ Attending lecture and discussion together

☐ Studying together for exams

☐ Socializing / meeting new people in non-academic contexts

☐ None of the above

☐ Other: _____

Section Times

13. Which discussion section times (in PST) can you make? (Pick a minimum of 3 times). *

We will try our best to match you with group members who can make the same discussion times as you. This is intended to give you all a time where you can meet, either to attend discussion or do group work. You are responsible for finding additional times to meet up, if desired.

Check all that apply.

- ☐ 4-5 Monday
- ☐ 6-7 Monday
- ☐ 12-1 Tuesday
- ☐ 2-3 Tuesday
- ☐ 11-12 Wednesday
- ☐ 12-1 Wednesday

Demographic Information

We have heard from students that they often prefer being in study groups where they are not the only person representing a particular social or demographic group. Research has also shown that such teams can be more comfortable environments than teams with only one student of a certain gender or racial identity (Born, Ranehill, and Sandberg 2020; Niemann and Dovidio. 1998).

14. May we use your demographic information to improve your course study group match for this semester? *

Mark only one oval.

- ☐ Yes
- ☐ No

15. Would you prefer a study group where at least one other student shared a common identity with you?

*

Mark only one oval.

- ☐ Yes
- ☐ No
- ☐ Maybe
- ☐ Indifferent
- ☐ Prefer not to answer

16. How do you self-identify? (Check all that apply)

Check all that apply.

- ☐ Female
- ☐ Male
- ☐ Transgender
- ☐ Non-binary
- ☐ Gender non-conforming
- ☐ Not listed
- ☐ Prefer not to answer
- ☐ Other: _____

17. Which of these options best describes your race? (Check all that apply)

Check all that apply.

- ☐ American Indian / Alaska Native
- ☐ Asian / Asian American
- ☐ Black / African American
- ☐ Latino / Latinx / Chicano / Chicanx / Hispanic
- ☐ Middle Eastern / North African
- ☐ Native Hawaiian / Pacific Islander
- ☐ White
- ☐ Multiple races
- ☐ Prefer not to answer
- ☐ Other: _____

18. Are you an international student (primarily residing outside the US)?

Mark only one oval.

- ☐ Yes
- ☐ No
- ☐ Prefer not to answer

19. Are there any other communities you identify with, and would like to meet more members of in a study group?

Although we cannot guarantee it will be possible to take these preferences into account while forming your group, letting us know could help form better groups in the future!

Extra Questions (not included)

20. People come to Berkeley from many different types of institutions and levels of preparation. Check the option that applies for you, to help us understand your programming background.

Mark only one oval.

- ☐ Not much exposure to programming
- ☐ Some exposure to programming
- ☐ Lots of exposure to programming
